Get educated

- Attend 3 of Timber Queensland's highly regarded specifier seminars of your choice throughout the year, based on your study interests.
- Have access to Timber Queensland's online Resource portal – including Technical Data Sheets, fact sheets, technical and advisory notes, presentations and webcasts from past events.
- Receive discounted member rates (25% off) to Timber Queensland's expert small training workshops.
- Receive invitations to industry training opportunities and workshops from Timber Queensland's partner and member organisations.

Get connected

- Receive Timber Queensland's monthly Technical Update bulletin to keep you up to date on industry.
- Network and be connected with Timber Queensland's large membership base of engineers, architects, certifiers, merchants, foresters and growers.
- Connect with the WoodSolutions Young Professionals Network for those who are under 35 years old and working in the property design or construction industries, online and through free networking events.

Get hired

- Be the first to hear about industry graduate and internship opportunities through TQ's state-wide membership network.
